

Welcome to the New World of MJM

■ MJM, Inc.

MJM Investigations, Inc., the global leader in providing surveillance, insurance fraud mitigation and claims services, is extremely excited to announce the launch of our national platform in Canada. MJM is also pleased to announce the recent purchase of Crawford Investigative Services from Crawford and Company Canada, which has been fully intergrated into our Canadian operations.

MJM Canada will now be able to provide key benefits to you, such as:

- A National Investigative Platform for all services in Canada, Australia and the United States
- Global investigations network which covers 90 additional countries
- Leading experts in insurance investigations
- Access to industry leading technology – MJM CaseTrak
- Unmatched leadership, values and execution

While offering you these new benefits, MJM Canada still offers you services that are specifically designed to produce value-driven results and increase your profitability. These services include, but are not limited to:

- Surveillance
- Claims Investigations
- International Investigations
- Corporate & Government
- Anti-Fraud Training
- Special Investigations Unit

For more information about the new program, please visit <http://www.mjminc.ca> or call **866.860.7068** and a dedicated MJM Case Manager will assist you.

As always, should you have any questions, please do not hesitate to contact MJM.
