Database Searches

Activity Check

This check is designed to obtain additional information concerning the claimant's activity level by discreetly interviewing neighbours and other persons who may have information about the claimant's level of activity, their injury and other related information. The activity check also provides the adjuster with on-scene information about the claimant's residence and general area including description and photo of residence and vehicles, determination as to the general area being conducive to surveillance. This service also includes verification of the claimant's residence, telephone and registered vehicles at the claimant's address.

Alive & Well Check

An appointment will be scheduled with your claimant for a face-to-face, in-home interview. The interview covers the nature and extent of the injury/disability, medical diagnosis and treatment, review of medical providers, medications, follow-up treatment plans, previous/current employment, current activities. Physical restrictions, "day in the life", home environment, dependents and much more. Also includes a photo image of the claimant and residence.
